SKILLS

- C++
- DSA
- HTML, CSS
- Problem-Solving
- Computer Literacy
- Strong Communication

PROFILE

As a dedicated college student with a passion for technology and problem-solving, I bring a robust skill set in Data Structures & Algorithms, along with proficiency in HTML, CSS, and C++. Currently pursuing B.E at Thapar Insitute of Engineering, and Technology I am eager to apply my technical knowledge in a real-world setting through a challenging internship opportunity.
